Emak, established in 1992 from the merger between OLEO-MAC and EFCO, is one of the top European players in the manufacture and distribution of outdoor power equipment for gardening, forestry, agriculture and construction such as brush cutters, lawnmowers, chainsaws, motor hoes and power cutters.

Controlled by Yama S.p.A., an industrial holding located in Reggio Emilia, Emak operates worldwide with the brands Oleo-Mac, Efco, Victus, Bertolini and Nibbi. EMAK has achieved excellent quality levels thanks to its continuous investments in product innovation aimed at ever-increasing customer satisfaction, offering 19 product families and over 130 models. EMAK has four plants located in - Bagnolo in Piano (Reggio Emilia), Pozzilli (Isernia), Jiangmen (China) and Zhuhai (China). EMAK pursues an internationalisation strategy with six commercial branches in the main European markets (Spain, Great Britain, Benelux, Germany, France and Poland) and one in the USA. Presently, over 80% of EMAK's turnover is made abroad through a worldwide network of nearly 20,000 dealers in more than 80 countries in all five continents. The Emak Group has more than 1,000 employees and a total turnover of € 217.8 million at the end of 2007.

Emak has obtained the following certifications: Quality ISO 9001, Ethical SA 8000 and Environmental ISO 14001.
