EMAK is one of the top European players in the manufacturing and distribution of outdoor power equipment such as: chainsaws, brush cutters, lawnmowers, hedge-trimmers and blowers. Established in 1992 from the merger of two well known companies, OLEO-MAC and EFCO - dealing since the 70's in the gardening and forestry sector - EMAK is controlled by the YAMA Group, an industrial holding located in Reggio Emilia and is listed into the STAR segment at the Italian Stock Exchange in Milan. As a manufacturer, EMAK has reached excellent quality levels, offers 17 product families and over 110 models for each brand, OLEO-MAC and EFCO. EMAK has two plants in Italy - Bagnolo in Piano (Reggio Emilia), Pozzilli (Isernia) - and one in China (Jiangmen). In these last years EMAK has pursued an internalization strategy through the establishment of six commercial branches in the main European markets (Spain, Great Britain, Benelux, Germany, France and Poland) and one in the USA. Presently, nearly 80% of EMAK turnover is realized abroad through a worldwide network of over 20.000 dealers in 70 countries. At the end of 2006 the EMAK Group, with its 902 employees, has reached a total turnover of 208,4 million euro. In 2006 Emak has also been awarded with the ethical certification SA 8000 and the environmental certification ISO 14001
